

Christmas Celebration

When: December 15, 2023

Where: Classroom

What: Party 11-3

On December 15, we will be having our class Christmas party. The children have already picked a student to surprise them with a gift (Secret Santa). I thought it would be fun to have a lunch for the children in our class. For lunch we are having: walking tacos with cheese, sour cream, lettuce, salsa, taco meat, and chips. To help with expenses for food and related items, I am asking for \$5 for each child in the class. If your child has a food allergy, you may want to consider sending them with a lunch and/or dessert.

The children will be doing a painting craft; so, will need a painting shirt to change in to. We are doing the craft right after lunch, so the projects should dry by the end of the day.

For Parents: If any parents would like to come and help, we could use help with gym at 11 and lunch set up/ serving at 12., that would be appreciated.

_____ \$5 for food

_____ I can help with gym time and/or lunch
